Tools

- Sketch
- Figma
- Adobe Creative Suite
- Maze

Detail oriented UI/UX designer with 10+ years of experience in user-centered design for digital products. Skilled in Figma and design systems to create accessible, consistent, and developer-ready interfaces. Dedicated to inclusive design, continuous iteration, and enhancing usability for diverse users.

Work Experience

UX/UI Designer @ Research Solutions, Remote

OCT 2017 - PRESENT

- Led the redesign of the main product UI, which improved user satisfaction by 25% (based user feedback).
- Contributed to the development and maintenance of a scalable design system used across multiple teams.
- Directed an accessibility audit and implemented WCAG 2.1 AA compliance strategies.

Senior Designer @ Monteleone

SEPT 2014 - SEPT 2017

- Created visual content for both print and digital formats, maintaining brand consistency across channels.
- Produced UI mockups and graphic assets for internal communication platforms and magazine-style digital apps.
- Collaborated with developers and marketers to ensure design quality in implementation.

Certifications & Professional Development

Bachelor's Degree in Graphic Design @ UANL

JUNE 2005- JUNE 2010

PHP for frontend @ FAV (UANL)

DEC 2010

User Experience & Interface Design @ Experience Haus

SEPT 2020

Projects Highlights

- Design System Overhaul: Built a modular token-based system in Figma to streamline handoffs and enforce visual consistency.
- Dashboard Redesign for Internal Research Tool: Improved task efficiency and reduced user errors by 40% through strategic UX changes.
